

**SAP Germany's seal of quality goes to SAP consultancy itelligence**

## **itelligence AG Is A Special Expertise Partner For SAP® ERP Upgrade**

Bielefeld, August 20, 2009 – itelligence AG today reported its inclusion in SAP Germany's special expertise partner program in the category "SAP ERP upgrade". With this award SAP Deutschland AG & Co. KG, a subsidiary of SAP AG, is recognizing the profound expertise of itelligence in release upgrades for existing SAP customers in the German market.

itelligence AG has demonstrated its extensive SAP expertise in many successful upgrade projects. Customers like Karl Höll, a well-established manufacturer of aluminum and laminated tubes, BOGE KOMPRESSOREN, and Jowat AG have securely and reliably switched to the current release SAP ERP 6.0. The SAP consultancy itelligence is among the best-qualified SAP partners in Germany, and meets the requirements for all kinds of upgrade and migration projects.

Markus Kellermeyer, Director of Technology Consultation at itelligence AG, says: "In order to map modern, competitive business processes, the supporting IT systems must meet the latest technological requirements. Our inclusion in the special expertise program shows our quality track record which benefits our customers. A continuously stable infrastructure provides the foundation to target-oriented customizing allowing for the use of innovative SAP functionality."

**itelligence is one of the leading international full-service providers of solutions in support of SAP solutions, employing about 1,450 highly qualified employees in 17 countries and in five regions (America, Asia, Western Europe, Eastern Europe and Germany/Austria). As an SAP global hosting partner and SAP global services partner itelligence realizes complex projects in the SAP solution-based environment for over 3,000 customers worldwide. In 2006, itelligence obtained gold-level status as an SAP channel partner as part of the SAP PartnerEdge™ program in Germany, and in the U.S. in 2007. The company's services in support of SAP solutions range from consulting and licensing to outsourcing and services to proprietary industry-specific SAP. In 2008, itelligence generated total sales of EUR 216 million.**
