itelligence AG to present new product at trade fair: it.automotive Car Dealers & Services

Bielefeld, February 9, 2006 – At CeBIT 2006 in Hanover from March 9 to March 15 in hall 4, D38, itelligence AG will present their new it.automotive Car Dealers & Services (CD & S) solution based on SAP DBM (SAP® Dealer Business Management), the SAP industry solution for car dealers and automobile service companies.

Under the new EU regulation, car dealers are no longer limited to only one brand. The result is more competition but also more administration effort. it.automotive CD & S serves to ideally manage the processes involved in selling vehicles, selling spare parts, service orders, garage management, and warehouse logistics as well as those involved in company administration including accounting, controlling and personnel.
