

Quality rewarded

itelligence AG Switzerland receives ISO 9001:2000 certification

Bielefeld / Zürich, January 17, 2006 - itelligence AG Switzerland received ISO 9001:2000 certification in December 2005. The certification covers all the business areas of the Swiss SAP IT-full service provider: SAP consultancy, development of SAP industry solutions, SAP license sales, Outsourcing & Services and the development of complementary individual software solutions.

Work on itelligence Switzerland's Total Quality Management project started back in 2004 with the aim of improving the transparency of existing processes, further optimizing business processes and obtaining ISO 9001:2000 certification. itelligence Switzerland achieved all these targets. Thomas Eduard Meier, the responsible auditor at SGS*: "itelligence AG's quality management system fulfils all the requirements of the ISO 9001:2000 standard in an exemplary manner".

Armin Frei, Managing Director of itelligence AG Switzerland: "As a result of the implementation of ISO 9001:2000, customer orientation and a culture of constant improvement are now firmly anchored at itelligence through the process-oriented organization of work flows."

*** SGS Société Générale de Surveillance S.A. (Geneva) is the global leader in the areas of goods control, inspection and quality assurance with more than 32,000 employees and over 320 laboratories in more than 140 countries.**
