

Midmarket competence – quick, secure, fit for the future with SAP

SAP consultants itelligence at “ITnT” trade fair for information technology and telecommunication in Vienna

Vienna/Bielefeld, January 12, 2007 – As one of the leading full service IT providers for SAP, itelligence will be presenting its industry solutions for SMEs at the SAP partner stand 0220 in hall A at the “ITnT” trade fair this year.

itelligence’s exhibition at the trade fair, which is to be held from January 31 to February 1 in Vienna, will focus on more efficient process design, securing future opportunities and overcoming obstacles. The itelligence consultants will demonstrate proven practice examples taken from their mySAP all-in-one-solutions: it.wood for the wood and furniture industry, it.logistics for haulage and logistics companies and it.engine for concrete manufacturers, machine and plant construction and it.trade for the wholesale industry.

Between 1.15 p.m. and 2.00 p.m. on January 31, 2007 at the ecaustria user forum, visitors to the trade fair will be able to benefit from the practical experiences gained in the introduction of an itelligence industry solution in a talk entitled: “Bespoke work with itelligence – introduction of mySAP all-in-one industry solution it.wood and process optimization with Wittenbreder Einrichtungssysteme GmbH.”
